Under this Permit, Longhouse of the Orange Skies (Permittee), will pay the Regional Parks Department (Department) \$12,600 for use of a portion of Yucaipa Regional Park (Park) for three days, October 11, 2019 through October 13, 2019. The Permittee will also submit a \$2,500 deposit to be used for any possible damages incurred to County property due to the Permittee's use of Park. Permittee will be responsible for obtaining all necessary permits, licenses and applicable approvals as well as securing the required insurance for this event. Adequate appropriation and revenue have been included in the Department's 2019-20 budget.

BACKGROUND INFORMATION

The Department operates and maintains nine regional parks including Yucaipa Regional Park, located in the city of Yucaipa, and provides for the rental of park property through Board approved fees. The recommended Permit between the Department and Permittee allows for the use of a portion of the Park wherein the Department will receive a total of \$12,800.

The Permittee is a non-profit organization founded in 2013 and administers the Indian Guides and Indian Princesses program. The purpose of this program is to strengthen the communication between fathers and their children by providing a framework for enjoyable, constructive, and quality time together. The program

serves families in Orange County, California by offering Indian Guides (Father - Son) and Indian Princesses (Father - Daughter) programs to nurture strong relationships and memories between fathers and their children using Native American themes and values. The program also provides fathers and their children with the opportunity to give back to the community through community service projects.

This recommended Permit aligns with the County and Chief Executive Officer Goal and Objective to Operate in a Fiscally-Responsible and Business-Like Manner by allowing the Department to leverage its amenities and land to raise revenue to support park maintenance and development.
