BACKGROUND INFORMATION

Workers' compensation insurance fraud occurs in simple to complex schemes that often require difficult and lengthy investigations. Consequently, California Insurance Code Section 1872.83 authorizes the California Insurance Commissioner to annually distribute grant funds to agencies statewide for assistance with investigating and prosecuting workers' compensation insurance fraud cases. Since 1994, the San Bernardino County District Attorney's Office (Department) has been receiving grant funds for this purpose on an annual basis. In addition to keeping the public safe, the Department vigorously investigates and prosecutes these cases because fraudulent workers' compensation claims are crimes that can inflate premiums for all consumers.

On April 7, 2020 (Item No. 26) the Board of Supervisors (Board) approved the Department's grant application to the California Insurance Commissioner requesting funding for the period of July 1, 2020 through June 30, 2021. On September 22, 2020, the Department received notification from the California Insurance Commissioner of the County's grant award in the amount of \$2,454,241 for the period of July 1, 2020 through June 30, 2021. This item is being presented at this time, as this is the first available date following the required operational, fiscal, and legal reviews. Approval of the grant award by the Board at this time has not impacted the Department's provision of grant related services and activities.

The State of California, Department of Insurance requires a resolution from the Board approving the Grant Award Agreement and authorizing the District Attorney to sign the agreement. The Department of Insurance has requested that the signed Grant Award Agreement be submitted by Friday, October 30, 2020.
