FINANCIAL IMPACT

Approval of this item will not result in the use of additional Discretionary General Funding (Net County Cost). The DLGP grant awards totaling \$194,143.20 will provide funding for equipment, materials, services, and staff salaries to establish distance learning training courses in the areas of Community Policing, Use of Force and De-escalation, and Implicit Bias and Racial Profiling to be provided by the Sheriff/Coroner/Public Administrator (Department) Training Academy. County matching funds are not required. Approval of the necessary appropriation and revenue adjustments are not requested at this time but will be included in a future quarterly countywide budget report presented to the Board of Supervisors for approval, if necessary.

BACKGROUND INFORMATION

The goal of this training initiative is to provide funding for distance learning courses. The DLGP was developed by POST through the California State Budget Act of 2020. POST recognizes distance learning as a powerful tool that provides opportunities for readily accessible high-quality training that is delivered efficiently, effectively, and safely. On August 3, 2020, after review by County Counsel, the Chief Executive Officer approved the submission of grant applications for five projects under the DLGP that resulted in grant awards for the following three projects: Community Policing, Use of Force and De-escalation, and Implicit Bias and Racial Profiling. On August 25, 2020 (Item No. 73, Recommendation No. 1), the Board of Supervisors (Board) ratified the submission of the grant applications, as approved by the Chief Executive Officer.

On October 13, 2020, the Department received notice of the three grant awards for total reimbursement not to exceed \$194,143.20 for the period of October 15, 2020 through June 30, 2021. The award documents are being submitted to the Board for approval at the earliest available meeting after the required legal and financial reviews were completed.

PROCUREMENT

Not applicable.
