BACKGROUND INFORMATION

File #: 5356, Agenda Item #: 9

On September 29, 2020 (Item No. 27), the Board of Supervisors (Board) approved Contract No. 20-929 with Hood Design Studio Inc. (Artist) for Phase A Site Work Improvement Design and Phase B Artwork Design, for the period September 30, 2020 through January 31, 2021, in an amount not to exceed \$187,500. Due to continued work to finalize the construction documents, under the authority granted to him by the Board on September 29, 2020 (Item No. 27), the Chief Executive Officer (CEO) extended the term of Contract No. 20-929 to March 31, 2021, with no change to the contract amount.

On May 4, 2021 (Item No. 32), the Board approved Contract No. 21-300 with the Artist, for Phase C of the Memorial Project, to include fabrication and delivery of the artwork by the Artist for \$1,022,120.44. Site improvements and installation will be completed by separate contractors retained and managed by Real Estate Services Department - Project Management. The Memorial is anticipated to be completed in late Spring of 2022. Under the contract terms, the CEO or County Chief Operating Officer are authorized to approve increases to the budget in an amount not to exceed \$102,212.04 for required changes to the Memorial and unforeseen conditions. Under this authority delegated to the CEO, the CEO approved the following amendments to the Artist's contract as follows:

Amendment Number	Reason for Amendment	Beginning Contract Amount	Amendment Amount	Total Contract Amount	Date of CEO Approval
21-300 A-1	Increased Metal costs	\$1,022,120.44	\$49,936.75	\$1,072,057.19	7/16/21
21-300 A-2	Modifications to design and durability per County: narrative plaque; alcove end caps; powder coat; lexan lens.	\$1,072,057.19	\$25,334.29	\$1,097,391.48	10/7/21

The recommended Amendment No. 3 to the Contract would replace the finish of the concrete benches with a polished concrete finish that would be more comfortable and less abrasive (\$33,833.80), and include text translation in Vietnamese on the narrative plaque (\$359), for a total contract amount of \$1,131,584.28. The recommended amendment would also revise the payment and work milestone schedule to allow an increased payment percentage at certain milestones to accommodate increased materials and labor costs. Sixty percent of the contract value has already been paid to the Artist, where 50% of the contract value was paid at contract execution and the Artist's providing the project schedule; and 10% was paid upon the County's approval of 100% of shop drawings. The revised milestone payment schedule is as follows for the remaining milestones:

Revised Payment and Work Milestone Schedule Language:

- County Approved 50% Fabrication: 15% of Contract Value;
- County Approved 100% Fabrication: 10% of Contract Value;
- Artwork Delivery to Site and Approval by Artist and County: 10% of Contract Value;
- Artist Consultation Re: Lighting and Provides Maintenance Plan: 5% of Contract Value.

PROCUREMENT

Hood Design Studio was selected from over 90 proposals from artists across the country and internationally, to design and fabricate the Memorial.
