FINANCIAL IMPACT

This item does not impact Discretionary General Funding (Net County Cost). The increase of \$19,484,950 to the grant award from the California Department of Public Health (CDPH) in Immunization Local Assistance supplemental funds does not require a match. Approval of the necessary budget adjustments to the Department of Public Health's (DPH) 2021-22 budget is not requested at this time, but will be included on a future quarterly countywide budget report presented to the Board of Supervisors (Board) for approval. Funds will be used to reimburse costs incurred from July 1, 2021, and are anticipated to be fully expended by June 30, 2022.

BACKGROUND INFORMATION

DPH receives Immunization Local Assistance funding to assist in reducing and potentially eliminating illness, disability, and death due to vaccine preventable diseases by improving immunization coverage rates. DPH activities include prevention, surveillance, quality assurance, and outbreak control for vaccine preventable diseases such as measles, pertussis, meningococcal disease, hepatitis, and varicella. The supplemental funds accepted within this item will be utilized for continued support of COVID-19 countywide vaccination services. The activities carried out with this funding will include continued COVID-19 vaccination plan activities as follows: support of partner efforts to vaccinate vulnerable populations, all cost associated with the provision of services at County operated Medical Point of Dispensing (MPOD) sites, enhanced vaccination messaging,

education of healthcare facility staff on infection prevention practices, collection and reporting of vaccination data, outreach and training for provider facilities conducted by our distribution and allocation team, and collaboration with emergency preparedness staff to ensure that critical healthcare and infrastructure workers are identified and vaccinated.

On February 13, 2018 (Item No. 36), the Board approved the grant award agreement County Agreement No. 18-95 (State Agreement No. 17-10343) from CDPH for Immunization Local Assistance funding to support countywide immunization services, in the amount of \$2,673,475, for the period of July 1, 2017 through June 30, 2022.
