FINANCIAL IMPACT

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost). The Department of Public Works-Transportation (DPW-T) is funded by Gas Tax revenue, fees, and other local, state, and federal funding. The cost to acquire this real property in fee is \$27,000 plus escrow and title fees not to exceed \$2,500. Additionally, the DPW-T will also pay \$100 as independent consideration directly to the San Bernardino County Transportation Authority (SBCTA) for the County's right to purchase the property and to terminate the Agreement prior to the close of escrow. Sufficient appropriation has been included in the 2019-

20 DPW-T Road Operations budget for acquisition of SBCTA surplus property (6650002000 11H14057).

BACKGROUND INFORMATION

Approval of this item will authorize the acquisition of approximately 21,225 square feet of vacant land (APN 0349-174-12) located at 18405 Cajon Boulevard on the southwest corner of Cajon Boulevard and Glen Helen Parkway in the unincorporated area of Devore (Property), for access and staging to drainage facilities.

On January 6, 2017, the San Bernardino Associated Governments (SANBAG) distributed a 60-day public agency notification of surplus property for sale or lease, in compliance with Government Code Sections 54220 -54232, for a property that was declared surplus as a result of the I-15 and the I-215 freeway improvement project in the north San Bernardino area.

On February 17, 2017, the County of San Bernardino Real Estate Services Department (RESD) responded to SANBAG with a certified letter of interest for the Property, on behalf of the DPW-T within the Government code sanctioned 60-day window. DPW-T currently maintains a portion of road right-of-way adjacent to the Property and is interested in the remaining interests for purposes of access and staging to drainage facilities.

On March 28, 2017, a notice was received from SBCTA acknowledging DPW-T's interest in the Property owned by the agency formerly known as SANBAG. SBCTA offered to sell the Property to DPW-T for \$27,000 based on an appraisal obtained by SBCTA on November 28, 2016, prepared by Overland, Pacific, and Cutler, Inc.

DPW-T requested assistance from RESD to acquire this Property in fee. The Property was appraised on November 16, 2016 and was reviewed by the RESD. The fair market value of \$27,000 was determined to be reasonable.

Upon mutual execution of the Purchase and Sale Agreement and Escrow Instructions, DPW-T shall have 20 days to complete its title review of the Property.

Additionally, approval of this item will authorize the Director of RESD to execute escrow documents, such as amended escrow instructions, property disclosures, notices (such as an election to proceed), contingency waivers, and settlement statements to complete the purchase of the Property. The Director will not be authorized to execute any documents that would bind the County to any actions not contemplated by, or arising from, the transaction which is the subject of these recommendations.

The County can purchase this Property pursuant to Government Code Section 23004.

The acquisition of this Property was reviewed pursuant to the California Environmental Quality Act (CEQA) and determined to fall within the General Rule exemption under Section 15061(b)(3) of the CEQA guidelines. This section of CEQA applies when an action does not fall within an exempt class, but it can be seen with certainty that there is no possibility that the activity (in this case, property acquisition) may have a significant effect on the environment.

PROCUREMENT

Not applicable.
