BACKGROUND INFORMATION

The recommended action will provide for a five-year license agreement with the Arrowhead Arts Association Inc. (Arts), commencing on the full execution of the agreement, for approximately 750 square feet of land for

exterior storage space located at 29419 Torrey Road in Lake Arrowhead.

Arts is a public service organization composed of local Lake Arrowhead residents dedicated to preserving and supporting the artist community in the Lake Arrowhead area. The District owns a storage lot adjacent to Papoose Lake at 29419 Torrey Road. Arts requested permission from the District to store a trailer containing equipment used in public service activities on a portion of the District-owned parcel. The District requested the Real Estate Services Department (RES D) prepare an agreement for the use of the space. This new five-year license agreement, commencing on the full execution, provides for the use of approximately 750 square feet of land for exterior storage space for the storage of a trailer containing equipment used in public service activities in support of the arts in Lake Arrowhead and provides on-going revenue for the District.

Staff has reviewed the recommended action pursuant to the California Environmental Quality Act (CEQA) and has determined that it does not constitute a project. Accordingly, no further action is required under CEQA.
