**BACKGROUND INFORMATION**

State law requires all public agencies to adopt a conflict of interest code. The Conflict of Interest Code of each agency identifies those positions that are required to disclose financial interests annually on the Form 700. The Board of Supervisors (Board) is also the code reviewing body for local government agencies, other than cities, located entirely within the geographical jurisdiction of the County.

California Government Code Section 87303 states, no conflict of interest code shall be effective until it has been approved by the code reviewing body. Each agency shall submit a proposed conflict of interest code to the code reviewing body by the deadline established by the code reviewing body. The deadline for a new agency shall be no later than six months after it comes into existence. State law also allows for an agency to amend its Conflict of Interest Code at any time.

The County is also required to periodically review and amend its own Conflict of Interest Code to account for new positions and title changes. The amended San Bernardino County Conflict of Interest Code is being submitted under Recommendation No. 3.

The positions being amended are as follows:

<b>Department</b>	<b>Action</b>	<b>Position</b>	<b>Disclosure Category</b>
Regional Parks	Add	Parks Operations Chief	2
District Attorney	Change	Department IS Administrator	2
Purchasing	Change	Administration & Operations Manager	2
