FINANCIAL IMPACT

Approval of this item will not result in the use of additional Discretionary General Funding (Net County Cost). The San Bernardino County Museum (SBCM) will receive \$46,350 as payment of the repository fee of \$2,575 per cubic foot box. Revenue associated with this agreement is not included in the SBCM's 2019-20 budget. Approval of budget adjustments to the SBCM's budget is not requested at this time, but may be included on a future quarterly countywide budget report presented to the Board of Supervisors for approval.

BACKGROUND INFORMATION

As a federally recognized repository, Anthropology Division of SBCM will provide curation services for Statistical Research, Inc. in regards to their archaeological collection from the California Department of Transportation California Department of Transportation District 8 Crowder Canyon Salvage Data Recovery under Task Order 0817000039 (EA: 08-1H410-3).

Thirteen boxes of archaeological material and five oversized objects of archaeological material will be accepted and curated into the collections, all labeled with appropriate field numbers. Locality data will be provided to the SBCM and will include hard copy maps as well as locality sheets with all coordinate data recorded. Electronic files, photographs, field notes, the final report of findings and any other ancillary data relevant to this collection will also be included with the collection.

The scope of work includes acceptance and curation of the material, conducted by the Anthropology division under the direction of the Anthropology Curator. No additional staff will be needed to complete this project. The delivery date of the material is subject to cataloging preparation by Statistical Research, Inc. under the Museum's curation identification number of SBCM-6356. The Museum has given a term of one year, starting on June 9, 2020, to complete this work and deliver to the Museum.
