#### **COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES**

**Promote the Countywide Vision.**

**Operate in a Fiscally-Responsible and Business-Like Manner.**

#### **FINANCIAL IMPACT**

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost).

The 2020-21 Recommended Budget for the Bloomington Recreation and Park District, as presented in the Recommended Budget Book, includes total requirements of \$530,941, available reserves for future use of \$696,540, and budgeted staffing of 3 positions.

#### **BACKGROUND INFORMATION**

On March 4, 2020, the State of California declared a state of emergency as a result of the COVID-19 outbreak. Subsequently on March 10, 2020, the County Public Health Officer declared a local health emergency to help ensure county government and the public were prepared for the possibility that COVID-19 would appear within the county. While managing the outbreak continues at the national, state and local level, the response to the public health emergency has created an economic emergency that has terminated the longest period of economic expansion in United States history. In light of this, and pursuant to the approval by

the Board of Supervisors on March 24, 2020 (Item No. 67, Recommendation No. 7), this budget is effectively a placeholder that will be adjusted as we develop a better understanding of the economic outlook. The budget book includes only the schedules required by the State. Consistent with the direction provided by the Board at the March 24, 2020 meeting, the 2020-21 Recommended Budget focuses on funding cost to maintain services and limited program enhancement.

It should be noted that this budget was prepared during February 2020, prior to the local challenges caused by the pandemic. Consequently, this budget does not include projected expenditures or revenues associated with the County's response to the pandemic. Any needed budgetary changes associated with the response will be presented to the Board at a later date.

The Special Districts Department provides for the management and maintenance of Bloomington Recreation and Park District (District). The District was established by an act of the County of San Bernardino Board of Supervisors on July 19, 1972. The District maintains one community park, an equestrian arena, sports fields, and a community center. Services are funded primarily through revenue from property taxes and park fees.

The following table displays a summary of the District's 2020-21 Recommended Budget:

**Recommendations**

**Recommendation 1** calls for the public hearing for the District's 2020-21 Recommended Budget, as required by Government Code Sections 29080 and 29081. Prior to adopting the District's 2020-21 budget, a notice was published on May 27, 2020 and May 29, 2020 setting forth the date of the public hearing for the purpose of making a determination regarding the Recommended Budget. The Recommended Budget documents were made available in the Secretary of the Board's office on May 29, 2020 for the public, and the public hearing is occurring at least 10 days after the documents were made available. The notice further sets forth that any member of the public may appear at the hearing and be heard regarding any item in the Recommended Budget or for the inclusion of additional items. All proposals for revisions should be submitted in writing to the Secretary of the Board before the close of the public hearing.

The budget hearing is designed to discuss and implement any direction or changes to the Recommended Budget. Any requests for increases, decreases, or omission of any item in the budget or inclusion of any additional items shall not be made after the public hearing, unless the items were proposed in writing and filed with the Secretary of the Board before the close of the public hearing or unless approved by the Board of Directors by a four-fifths vote.

**Recommendation 2** approves and adopts the District's 2020-21 budget.
