#### **SUBJECT**

Purchase of Two Convection Gas Ovens for Central Valley Juvenile Detention and Assessment Center

#### **RECOMMENDATION(S)**

1. Approve the purchase of two convection gas ovens, unbudgeted fixed assets, in a total amount of \$17,000, for the replacement of outdated equipment at the Central Valley Juvenile Detention and Assessment Center.

#### **COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES**

**Provide for the Safety, Health and Social Service Needs of County Residents.**

#### **FINANCIAL IMPACT**

Approval of this item will not result in the use of additional Discretionary General Funding (Net County Cost). The Probation Department (Department) is requesting a budget adjustment in the amount of \$17,000 to purchase new cooking appliances to replace outdated equipment. Sufficient appropriation is available within the Department's 2019-20 budget.

The following adjustments to the Probation Department's 2019-20 budget are requested:

Cost Center	Commitment Item	Description	Action	Amount
4810001000	52002400	Professional and Specialized Services	Decrease	(\$17,000)
4810001000	54404040	Equipment	Increase	\$17,000

#### **BACKGROUND INFORMATION**

Approval of this item allows the Department to purchase two convention ovens to replace the existing ovens currently in use in the Central Valley Juvenile Detention and Assessment Center (CVJDAC). The current ovens are beyond their expected lifespan and are in need of constant repairs. The purchase of new ovens will

eliminate the ongoing repair costs of \$4,000 to date, and dramatically reduce the current downtime of food preparation for the youth in custody.

### **PROCUREMENT**

The Department is in the process of getting official quotes from multiple vendors for the purchase of the above items. The requested budget adjustments are based on research completed by the Department and represent the expected price of the ovens. Any purchases made will be in line with County procurement rules and guidelines.
