BACKGROUND INFORMATION

File #: 3024, Agenda Item #: 5

The recommended new OA II position was originally approved by Human Resources and included in DAAS' 2020-21 recommended budget. The position was dedicated to DAAS' MSSP activities and funded entirely through MSSP funding provided by the California Department of Aging. However, during the 2020-21 recommended budget review process, the OA II position was removed from DAAS' recommended budget as a result of MSSP funding being terminated in the Governor's May Revise budget. On June 22, 2020, the State restored funding to MSSP, which allows DAAS to add the currently vacant OA II position back into its 2020-21 budget to perform the needed clerical duties within MSSP.

The Federal Older Americans Act promotes the welfare and dignity of older adults by providing valuable services in order to enable older adults to be independent, remain in their communities, and assist them to be engaged citizens. Since 1976, DAAS, as the County's designated Area Agency, receives funding to administer MSSP services. MSSP includes a wide range of social and healthcare management services, including housing; minor home repair; non-medical home equipment; chores; personal care; respite - in-home, respite - out-of-home, transportation escort; transportation - one-way trip; nutritional meal services; and communication devices.

The OA II will perform clerical support necessary to effectively and efficiently provide MSSP services to eligible clients. The position will support MSSP Case Manager and Fiscal Assistant staff with tasks that will include processing fiscal related items, client services orders, clerical forms/documents, as well as assisting in data collection for required state reporting.
