BACKGROUND INFORMATION

This revenue agreement with the California Department of Food and Agriculture, Animal Health and Food Safety Services Division/Meat, Poultry, and Egg Safety Branch (CDFA, AHFSS) will reimburse the Department of Agriculture/Weights & Measures (AWM) for performing inspection services related to the Egg Quality Inspection Program for a maximum reimbursement of \$151,430.57 from July 1, 2020, through June 30, 2021.

This revenue agreement aligns with the County and Chief Executive Officer's Goals and Objectives to Pursue County Goals and Objectives by Working with Other Agencies with respect to performing inspections for the Egg Quality Inspection Program on behalf of CDFA, AHFSS and receiving reimbursement for the work performed.

AWM will continue an egg surveillance inspection program at egg production sites and wholesale warehouses in order to ensure that shell eggs meet established tolerances and regulations. The inspections are performed by counties under the authority of California Food and Agriculture Code Division 12, Part 4, Chapter 1, §27561. All inspections will conform to the current version of the CDFA, AHFSS Compliance and Risk Based Inspection protocols noted in the agreement work plan.

In 1974-75, the Board approved the initial revenue agreement with CDFA, AHFSS for these inspection services to be provided at locations throughout San Bernardino County and an agreement has since been renewed on a continual annual basis.

On July 21, 2020, AWM received the State revenue agreement in the amount of \$151,430.57, for the period of July 1, 2020 through June 30, 2021. This item is being presented to the Board at this time as this is the first date available for presentation following the required operational, fiscal and legal reviews. Approval at this time will have no impact on work performed for the Egg Quality Inspection Program since July 1, 2020 as it will be reimbursed under this agreement.
