FINANCIAL IMPACT

The County continues to incur significant costs resulting from the COVID-19 pandemic. These costs may require the use of additional Discretionary General Funding should federal funding or other sources of funding not be available. Originally on March 24, 2020 (Item No. 67), and later extended on May 19, 2020 (Item No. 105), June 23, 2020 (Item No. 124), July 28, 2020 (Item No. 72), August 25, 2020 (Item No. 71), September 29, 2020 (Item No. 79), and October 27, 2020 (Item No. 96), the Board of Supervisors (Board) authorized the Chief Executive Officer (CEO) to use additional Discretionary General Funding (Net County Cost), in response to the COVID-19 pandemic, if necessary.

BACKGROUND INFORMATION

The COVID-19 virus originated in Wuhan, China in late 2019 and began spreading, initially, within China and then to other countries. On January 30, 2020, the World Health Organization declared the outbreak to be a “public health emergency of international concern”. This was followed on January 31, 2020 by the United States Human Services Secretary declaring a public health emergency. Cases internationally, within the US and within California (as evidenced by the Governor’s Proclamation) continue to rise.

On March 4, 2020, the State of California declared a state of emergency as a result of the COVID-19 outbreak due to the rising number of confirmed cases and anticipated complications for those infected, including potential deaths. On March 10, 2020, the County Public Health Officer declared a local health emergency to help ensure county government and the public were prepared for the possibility that COVID-19 would appear within the county. On March 10, 2020 (Item No. 75), San Bernardino County proclaimed the existence of a local emergency resulting from COVID-19, which causes infectious disease resulting in symptoms of fever, coughing and shortness of breath with outcomes ranging from mild to severe illness and in some cases, death.

Per County Policy 11-05, contracts containing non-standard terms must be approved by the Board of Supervisors (Board). Many contracts, especially those for technology products to assist in the response to the COVID-19 virus, contain non-standard contract terms which must be approved by the Board of Supervisors pursuant to County Policy 11-05. Time is of the essence both to respond to the disease and to expend limited federal funding before December 30, 2020. Approval of this item will facilitate swift response to the COVID-19 pandemic by authorizing the Chief Executive Officer, upon consultation with County Counsel, to approve contracts with non-standard language as identified in County Policy 11-05, Section B., only through December 31, 2020 subject to ratification by the Board.
