FINANCIAL IMPACT

Approval of the item will not result in the use of additional Discretionary General Funding (Net County Cost). This action will provide additional appropriation authority needed by San Bernardino County and Board-governed agencies to continue to operate at normal levels. The additional limits will not increase the 2020-21 budgets for the respective entities.

BACKGROUND INFORMATION

Limits on the appropriations of the proceeds of tax revenues are required to be established annually by Article XIII B of the California Constitution for all agencies receiving tax proceeds. Proposition 111, approved by voters on June 6, 1990, allows governmental entities to use an alternative computation to determine the appropriations limits when such calculations are of benefit to the entity. These factors include the percentage change in per-capita personal income and the change in non-residential new construction.

On February 9, 2021 (Item No. 22), the County of San Bernardino Board of Supervisors approved Agreement No. 21-114 to transfer a portion of the County's State Constitutional Limit on Local Appropriations to the San Bernardino Mountains Community Hospital District in recognition of the hospital services it provides to County residents outside its service area. The result was a decrease of \$2,000,000 from \$25,724,955,766 to \$25,722,955,766 in the General Fund in fiscal year 2020-2021.
