REPORT/RECOMMENDATION TO THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN BERNARDINO AND RECORD OF ACTION

June 8, 2021

FROM

WILLIAM L. GILBERT, Director, Arrowhead Regional Medical Center

SUBJECT

Agreement with CBORD Group, Inc. for Software Licensing for Patient Meal Orders

RECOMMENDATION(S)

Approve Software Subscription License Agreement with CBORD Group, Inc., for the provision of software that will allow for the planning of meals according to the patients diet order, allergy restrictions, and personal food preferences, in the amount of \$56,797.39, for a total contract period of June 8, 2021 through June 7, 2024. (Presenter: William L. Gilbert, Director, 580-6150)

COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES

Provide for the Safety, Health and Social Service Needs of County Residents.

FINANCIAL IMPACT

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost). The cost of \$56,797.39 is funded by State Medi-Cal, Federal Medicare, private insurances, and other departmental revenue. Funding sources may change in the future pending any legislative activity related to the repeal and/or replacement of the Affordable Care Act. Adequate appropriation and revenue have been included in the Arrowhead Regional Medical Center (ARMC) 2020-21 budget and will be included in future recommended budgets.

BACKGROUND INFORMATION

Approval of the agreement with CBORD Group, Inc. (CBORD) will allow ARMC to continue to provide quality nutrition care for patients. The software program is integrated with ARMC's new electronic health record system, Epic, and helps manage patient meals and meet regulatory compliance for therapeutic diets. The software program helps to ensure patients will receive meals according to their diet order, allergy restrictions, and personal food preferences. ARMC is a 456-bed hospital and will rely on the CBORD software to manage hundreds of daily patient meal orders and ensure patient safety.

CBORD's Software Subscription License Agreement is CBORD's standard commercial contract, as negotiated, which includes terms that differ from the standard County contract and omits certain County standard contract terms. The non-standard and missing terms include the following:

1. CBORD's liability to the County is limited to two times the price actually paid by the County for the specific Items or Services directly associated with such liability during the twelve months before the

event causing the claim, or \$200,000, whichever is greater. This limitation excludes amounts arising under CBORD's indemnification obligations, and death, bodily injury or property damage caused by CBORD's gross negligence, willful misconduct or violations of law.

- The County standard contract does not include a limitation of liability.
- Potential Impact: Claims could exceed the liability cap and the contract amount leaving the County financially liable for the excess. In addition, the County's liability under the contract is not similarly limited.

2. Venue can be in any jurisdiction in the United States.

- The County standard contract requires venue for disputes in Superior Court of California, County of San Bernardino, San Bernardino District.
- Potential Impact: Having a venue anywhere outside of the County may result in additional expenses that exceed the amount of the contract.

ARMC recommends approval of this agreement with CBORD as it will provide for the safety, health and social needs of County residents through the management of patient-specific menus and nutrition care at the hospital.

PROCUREMENT

This non-competitive procurement has been approved by Purchasing based on an existing agreement as CBORD is the current vendor for ARMC Nutrition's cafeteria operations. CBORD is also the only third party vendor licensed with ARMC's new electronic health record system, Epic, for management of patient meals.
