**COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES**

**Provide for the Safety, Health and Social Service Needs of County Residents.**

**Pursue County Goals and Objectives by Working with Other Agencies.**

**FINANCIAL IMPACT**

Approval of this item will not result in additional Discretionary General Funding (Net County Cost). Grant funds in the amount of \$3,189,558 from CalOES will help fund the cost of one Assistant Victim Services Chief position, two Supervising Victim Advocate positions, 20 Victim Advocate II positions, one Mass Victimization Advocate position, 22 Victim Advocate I positions, three Office Assistant III positions, and minimal operating expenses within the District Attorney's Office (Department). This grant requires a local cash match of \$717,516 which will be funded from the Department's existing budget allocation. The Department will include budget adjustments for approval by the Board of Supervisors (Board) when the actual award is received, if necessary.

**BACKGROUND INFORMATION**

The Victim Witness Assistance Program (Program) provides funding for a wide variety of social services to victims of and witnesses to crimes, including assistance with obtaining emergency funeral and burial funding, assisting with temporary lodging and relocation, referrals to medical and mental health providers, coordination of volunteer support from the community, and assistance to victims with applications for benefits from the

California Victim Compensation Program for crime-related economic losses. Department staff (Advocates) assist victims and witnesses in the criminal justice system by explaining the process, accompanying them to court and, when necessary, providing transportation to and from court.

On March 16, 2021, CalOES released its Request for Application (RFA) for Program grant funding for the upcoming grant period of October 1, 2021 through September 30, 2022. This grant funding is only available to past year recipients of the Victim Witness Assistance grant. In accordance with Penal Code section 13835 et seq., the Department has administered this Program for the County since 1980. Further participation in the Program will allow the Department to continue to provide these vital services to County residents who are victims or witnesses of crimes. Consequently, the Department seeks Board approval to apply for these funds.

The increase of \$295,021, from last grant cycle, will allow the Department to continue to provide mandatory services expeditiously to victims of all crime types and continue development of mutual aid agreements with community partners and stakeholders for our Crisis Response Plan.

The CalOES Subrecipient Handbook, Section 1350, requires all grant recipients to obtain written authorization, in the form of a resolution or letter from the Board, that the official executing the agreement is authorized to execute the document. Subrecipients must maintain this written authorization on file and make it available upon demand during audits. Historically, CalOES has requested that each county's District Attorney be the authorized official to execute the grant application and any subsequent non-substantive amendments necessary for the San Bernardino County Victim Witness Assistance Program.

#### **PROCUREMENT**

The 2021 Cal OES Subrecipient Handbook Section 6.020 provides direction for contracts and procurement bids. The Department will follow the Subrecipient Handbook and County Policy 11-04 for any contracts or procurements for services or supplies paid with grant funds.
