FINANCIAL IMPACT

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost).

The 2021-22 Recommended Budget for the Bloomington Recreation and Park District (District), as presented in the Recommended Budget Book, includes total requirements of \$525,997, available reserves for future use of \$472,581, and budgeted staffing of 4 positions.

BACKGROUND INFORMATION

The Bloomington Recreation and Park District was established by the County of San Bernardino Board of Supervisors on July 19, 1972. The District maintains two community parks, an equestrian arena, sports fields, and a community center that offer a variety of recreational activities for the community of Bloomington.

The table on the following page displays a summary of the District's 2021-22 Recommended Budget.

2021-22 Recommended Budget Summary

Budget Unit	2020-21 Modified Budget	2021-22 Recommended Budget	Increase (Decrease) In Budget
Requirements:			
Operations	\$1,576,840	\$507,997	(\$1,068,843)
Capital Improvement Program	\$3,080,869	\$18,000	(\$3,062,869)
Total Requirements	\$4,657,709	\$525,997	(\$4,131,712)
Budgeted Staffing	3	4	1

Requirements are decreasing by \$4.1 million as this amount was budgeted in 2020-21 to reimburse the County's Community Development and Housing Department for incurred costs of the Ayala Park Relocation. Budgeted staffing is increasing by one position for the addition of an Office Assistant II to operate the community center at the new Ayala Park.

This item also includes a recommended change to the District's 2021-22 budget that increases requirements by \$93,000 primarily for the addition of a Park Maintenance Worker I. This position is needed because the relocation of Ayala Park results in more facilities to maintain. This recommended change to the budget, as included in Attachment B, is not reflected in the above table.

Recommendations

Recommendation 1 calls for the public hearing for the District's 2021-22 Recommended Budget, as required by Government Code Sections 29080 and 29081. Prior to adopting the District's 2021-22 budget, a notice was published on May 25, 2021, May 26, 2021 and May 28, 2021 setting forth the date of the public hearing for the purpose of making a determination regarding the Recommended Budget. The Recommended Budget documents were made available in the Secretary of the Board's office on May 24, 2021 for the public, and the public hearing is occurring at least 10 days after the documents were made available. The notice further sets forth that any member of the public may appear at the hearing and be heard regarding any item in the Recommended Budget or for the inclusion of additional items. All proposals for revisions should be submitted in writing to the Secretary of the Board before the close of the public hearing.

The budget hearing is designed to discuss and implement any direction or changes to the Recommended Budget. Any requests for increases, decreases, or omission of any item in the budget or inclusion of any additional items shall not be made after the public hearing, unless the items were proposed in writing and filed with the Secretary of the Board before the close of the public hearing or unless approved by the Board of Directors by a four-fifths vote.

Recommendation 2 approves and adopts the District's 2021-22 budget.
