FINANCIAL IMPACT

This item does not impact Discretionary General Funding (Net County Cost). The estimated annual cost of the employment contract is \$64,784, and will be reimbursed by the Children and Families Commission's (Commission) Trust Fund. Adequate appropriation and revenue have been included in the Commission's 2021-22 budget and will be included in future recommended budgets.

BACKGROUND INFORMATION

The Fiscal Assistant position reviews and audits accounting documents, prepares a variety of accounting documents; and processes payments, invoices and billing. The recommended employment contract will be effective July 21, 2021 through July 20, 2024, subject to the termination provisions of the contract.

The Commission uses California's tax on cigarettes and tobacco products to provide services for the State's youngest residents and their families. The Commission collaborates with the community and child-serving agencies to fulfill their mission of promoting, supporting, and enhancing the health and early development of children prenatal through age five, and their families.

On January 23, 2001 (Item No. 59), the Board of Supervisors (Board) approved Contract No. 01-50 with the Commission to maintain a cooperative working relationship to effectively and efficiently implement the Commission's mission. The terms and conditions of the contract require Human Services (HS) to provide the Commission with support for the administration of staff benefits, review and act on Board agenda items and personnel-related issues, and provide employment contract administration services. The contract has been amended several times to revise language regarding services or to add services provided by the County. The Commission fully reimburses the County for the cost of these services.

PROCUREMENT

A procurement was not performed at this time as this employee is a current contract Fiscal Assistant whose existing contract is coming to an end. A new employment contract with George Potts is recommended as he has the necessary skills, knowledge, and experience to continue performing the duties required for the Fiscal Assistant position.

On November 3, 2015 (Item No. 20), the Board approved Contract No. 15-813 between the Commission and George Potts, Fiscal Assistant, for a total annual cost of \$52,437 (\$35,131 Salary, \$17,306 Benefits), for the contract period of November 14, 2015 through November 13, 2018, with the option to extend the contract for a maximum of three successive one-year periods.
