COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES

Improve County Government Operations.

Operate in a Fiscally-Responsible and Business-Like Manner.

FINANCIAL IMPACT

Approval of the recommended agreement amendment with Press Ganey Associates, Inc. (Press Ganey) will not result in the use of Discretionary General Funding (Net County Cost). There are no costs associated with this amendment. Sufficient appropriation and revenue have been included in the Arrowhead Regional Medical Center (ARMC) 2021-22 budget and will be included in the 2022-23 recommended budget.

BACKGROUND INFORMATION

Arrowhead Regional Medical Center (ARMC) is required by the Centers for Medicare and Medicaid Services (Center) to provide patients with satisfaction surveys. Per guidelines issued by the Center, surveys must be conducted by an independent organization. ARMC contracts with Press Ganey Associates, Inc. (Press Ganey) to administer surveys in accordance with the Center's guidelines, and in a consistent and efficient manner. In addition, ARMC collects feedback through physician and employee satisfaction surveys to help assess the hospital's strengths and opportunities for improvement.

The recommended amendment will allow ARMC to update the survey methodology, slightly modify the period for survey, add text messaging capability to all patient satisfaction surveys, and extend the term of the agreement with Press Ganey to ensure sufficient time is provided to generate final reports and deliverables upon completion of all surveys. The amendment will provide ARMC with access to the most up to date tools to

gain insight into patient experiences and the care received at the hospital and to improve service, quality, and safety.

On December 19, 2017 (Item No. 7), as the result of a successful competitive procurement, the Board of Supervisors (Board) approved Agreement No. 17-910 with Press Ganey to provide patient, employee and physician satisfaction survey services, in the amount of \$1,735,314, for the period of January 1, 2018 through December 31, 2022, based on a competitive procurement.

On July 9, 2019 (Item No. 8), the Board approved Amendment No. 4 to Agreement No. 17-910 with Press Ganey, effective August 1, 2019, increasing the contract amount by \$338,101, from \$1,787,560 to \$2,125,661, increasing the number of providers by 100, from 151 to 251, in the physicians database maintained by Press Ganey, with no change to the contract period of January 1, 2018 through December 31, 2022.
