**BACKGROUND INFORMATION**

The State of California, Office of Traffic Safety (OTS) provides funding to local law enforcement agencies to increase traffic safety through county programs and activities.

The grant award will provide funds to the High-Risk Drunk Driving Supervision Program (Program), which contributes to the goal of reducing drinking and driving, and aligns with the Countywide goal to provide for the safety, health, and social service needs of County residents. Since the beginning of the Program, the Department has successfully provided effective supervision to more than 880 felony probationers at the highest risk of recidivating or continuing to drive under the influence of alcohol. The Program helps reduce the number of Driving Under the Influence (DUI) arrests and sends a unified message to the community that drunk driving will be targeted.

County Policy 05-13 requires approval by the Chief Executive Officer (CEO) for application of grants. On January 25, 2021, the CEO approved the Department's grant application for the 2021-22 fiscal year and the Department submitted the grant application to OTS on the same day. On July 21, 2021, the Department's application was tentatively approved, and is being submitted to the Board of Supervisors for approval at the first available meeting date after completion of the review process.

The OTS requires the same individual to sign the Grant Agreement and any subsequent reports or report revisions. Approval of this item authorizes the Chief Probation Officer to electronically sign and submit the Grant Agreement, all subsequent quarterly performance reports and any subsequent non-substantive amendments, subject to review by County Counsel. Approval of this item also directs the Chief Probation Officer to transmit all documents and amendments in relation to the Grant Agreement to the Clerk of the Board of Supervisors within 30 days of execution.
