Pursue County Goals and Objectives by Working with Other Agencies and Stakeholders.

FINANCIAL IMPACT

This item does not impact Discretionary General Funding (Net County Cost). The total cost of these contracts will be funded through Project Roomkey grant funding from the California Department of Social Services and will not exceed \$1,163,540 for Aviah Hospitality, Inc. dba Motel 6 (Motel 6), \$1,787,202 for Orange Show Hospitality, Inc. (Orange Show Hospitality), and \$1,297,366 for Prime Hospitality, Inc. dba Woody's Classic Grill (Woody's) through June 30, 2022. Approval of the necessary budget adjustments to the Office of Homeless Services 2021-22 budget is not requested at this time, but will be included on a future quarterly

countywide budget report presented to the Board of Supervisors (Board) for approval.

BACKGROUND INFORMATION

The recommended amendments to the contracts with Motel 6, Orange Show Hospitality, and Woody's will continue the Project Roomkey services to high-risk residents for the provision of non-congregate shelter and meals in response to COVID-19, to help protect public health and safety, lessen and/or avert the threats created by these exigent circumstances. The amendments extend the contracts for an additional nine months and increase the total contract amounts by \$511,685, from \$651,855 to \$1,163,540 for Motel 6 and by \$927,714, from \$859,488 to \$1,787,202 for Orange Show Hospitality, for the total contract period of January 1, 2021 through June 30, 2022, and by \$197,366, from \$1,100,000 to \$1,297,366 for Woody's, for the total contract period of July 6, 2020 through June 30, 2022. Payment to Motel 6 and Orange Show Hospitality will be based on the number of occupied rooms. A report showing the number of occupied rooms will be provided to the Chief Executive Officer monthly.

Project Roomkey was initiated through a collaboration between County, non-profit agencies, and local businesses, including the hospitality industry. The purpose of Project Roomkey is to provide non-congregate shelter and options, including emergency food services, for people experiencing homelessness, protect human life, and minimize the strain on the health care system capacity. Project Roomkey gives people who are experiencing homelessness and are recovering from COVID-19, or have been exposed to COVID-19, a place to recuperate and properly quarantine outside of a hospital. It also provides a safe place for isolation for people who are experiencing homelessness and at high risk for medical complications were they to become infected.

Upon separation from or termination of Project Roomkey, the Office of Homeless Services will engage other homeless and housing assistance programs, such as Homekey and Moving Forward, or provide referrals to other resources and services. Due to the ongoing COVID-19 pandemic, the program is being extended for an additional nine months, through June 30, 2022. The contracts may be terminated earlier should Project Roomkey conclude prior to the end of June or by either party, upon 14 days' written notice. As the COVID-19 pandemic conditions improve, this program will be evaluated to determine the reduction or cessation of this program.
