**Promote the Countywide Vision.**

**FINANCIAL IMPACT**

Approval of this item will not require the use of Discretionary General Funding (Net County Cost). There is no financial impact to receive this list of short-term real estate leasing activity at San Bernardino County Airports for the period of September 1, 2021 through September 30, 2021. However, approved short-term leases do result in revenues that are utilized by Department of Airports (Airports) to help offset the cost of airport operations.

The following reflects the Solicitation of Proposal (SOP) and Short-Term Lease (STL) activity for the period September 1, 2021 through September 30, 2021.
