COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES

Operate in a Fiscally-Responsible and Business-Like Manner.

Provide for the Safety, Health and Social Service Needs of County Residents.

FINANCIAL IMPACT

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost). The Department of Public Works - Transportation (Department) is funded by Gas Tax revenue, fee revenue, and other local, state, and federal funding. As these are on-call heavy equipment rentals, the specific projects have not yet been determined. Depending on the project, one of the above funding sources will be used to fund the cost of the contract. Sufficient appropriation is included in the Department's 2021-22 Road Operations budget.

BACKGROUND INFORMATION

On May 12, 2017, the Department released Request for Qualifications (RFQ) 117-OPERA-2484 to solicit additional proposals from vendors not already on the prequalified list for heavy equipment rental services. Pavement Coatings Co. (Pavement Coatings) and Vance Corporation submitted proposals and met all the requirements, including types of equipment, service area, and compliance with County and District terms and conditions. On June 27, 2017 (Item No. 87), the Board of Supervisors (Board) approved contracts with 33 vendors to be on the on-call heavy equipment rental services list. Pavement Coatings, previously known as Western Oil Spreading Services (WOSS), Inc., and Vance Corporation were part of the original 33 vendors. Previous Board actions approving and modifying the prequalified vendor list for on-call heavy equipment rental services are as follows:

Date	Item No.	Board Action
6/27/2017	87	Approved 33 vendors
5/01/2018	67	Amendment No. 1 to Contract No. 17-571 - WOSS name change to Pavement Coatings
3/20/2018	66	2 additional vendors approved
11/6/2018	71	3 additional vendors approved
3/12/2019	65	3 additional vendors approved and Amendment No. 2 to Contract No. 17-571 - Pavement Coatings services schedules amended
6/11/2019	50	Amendment No. 3 to Contract No. 17-571 Pavement Coatings services schedules amended
8/06/2019	52	Approved 4 additional vendors
10/08/2019		Amendment No. 1 to Contract 17-569 Vance Corporation services schedules amended
3/10/2020	67	Approved 2 additional vendors
8/11/2020	56	Approved 2 additional vendors
3/23/2021	80	Approved 5 additional vendors
10/26/2021	81	Approved 2 additional vendors

On March 12, 2019 (Item No. 65), the Board approved Contract No. 17-571 A-2 with Pavement Coatings to increase the original contract amount of \$750,000 by \$750,000 to a revised not-to-exceed contract amount of \$1,500,000 with no change to the contract term of March 19, 2019 through June 30, 2022.

On October 8, 2019 (Item No. 28), the Board approved Contract No. 17-569 A-1 with Vance Corporation to increase the original contract amount of \$750,000 by \$750,000 to a revised not-to-exceed contract amount of \$1,500,000 with no change to the contract term of October 8, 2019 through June 30, 2022.

On a monthly basis, the Department reviews contract expenditures and has determined that Pavement Coatings and Vance Corporation are getting close to reaching the not-to-exceed contract amended amount of \$1,500,000. Out of 56 contractors on the on-call heavy equipment vendor list solicited, Pavement Coatings and Vance Corporation have either been the lowest bidder or the only responsive bidder for on-call heavy equipment rental services. Therefore, the Department is recommending an increase in the total contract amounts by \$750,000 from \$1,500,000 to \$2,250,000 for both Pavement Coatings and Vance Corporation.

The proposed contract amendments will increase the total contract amount with no other changes to the terms and conditions for Contract No. 17-571 with Pavement Coatings and Contract No. 17-569 with Vance Corporation to allow the Department to continue to receive bids from Pavement Coatings and Vance Corporation for heavy equipment rental services to be used on routine road maintenance projects, public projects not exceeding the amount identified in Public Contract Code section 22032(a), and emergency road projects (following applicable provisions of the Public Contract Code). The proposed amendments allow the Department to continue to utilize Pavement Coatings and Vance Corporation for up to an additional \$750,000 each for specific projects on an as-needed basis. Having a list of readily accessible pre-qualified vendors available for heavy equipment rental services provides good value to the Department and aligns with the County and the Chief Executive Officer's goals to provide for the safety of County residents and to operate in a fiscally-responsible and business-like manner.

The Department currently has 56 on-call heavy equipment vendors on the pre-approved list of vendors. The Department continuously searches for new vendors to provide these services and encourages them to submit

proposals to be on the on-call heavy equipment rental services list.
