**PROCUREMENT**

On January 6, 2022, WDD Issued a Request for Proposal (RFP) # EDA122-WDD-4431, soliciting qualified entities to provide WIOA Youth Services from July 1, 2022 through June 30, 2025 with the option to renew up to two one-year terms. Over 1,800 organizations were provided multiple notices regarding the release of the RFP. The RFP was posted on the County Electronic Purchasing Network (ePro) website.

On February 15, 2022, ten proposals were received, and all were determined to be responsive to the RFP minimum criteria. The proposals were evaluated by a committee of qualified neutral parties with a variety of workforce development experience and knowledge. Proposals were then scored in accordance with the proposal review and evaluation process outlined in the RFP. Two of the ten proposals failed to achieve the minimum scoring requirement to gain further consideration. A Youth Ad Hoc Committee of select Workforce Development Board (WDB) members convened on April 4, 2022 to review the evaluators' recommendations and conduct interviews with the successful proposers. The WDB Youth Committee, which assists with the coordination of youth programs and planning recommendations related to the provision of services to WIOA-eligible youth, convened on April 20, 2022 to approve the recommendations of the Youth Ad Hoc Committee, recommending contract awards to the WDB. On May 11, 2022, the WDB reviewed the Youth Committee's recommendations and voted to recommend the San Bernardino County Board of Supervisors award contracts to the Youth Providers listed above.

No timely disputes were received in relation to this procurement.
