COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES

Create, Maintain and Grow Jobs and Economic Value in the County.

FINANCIAL IMPACT

Approval of this item will not impact Discretionary General Funding (Net County Cost). The combined expenditures of these contracts will not exceed \$2,193,507 and will be fully funded through the California Work Opportunity and Responsibility to Kids (CalWORKs) Youth Employment Program (CYEP). CalWORKs received additional funds from the State of California to continue providing youth employment services. Adequate appropriation and revenue have been included in the Workforce Development Department's (WDD) 2022-23 Recommended Budget and will be included in subsequent years' departmental budgets.

BACKGROUND INFORMATION

The Transitional Assistance Department (TAD) of San Bernardino County (County) administers the CYEP program with funding received from the California Department of Social Services. CYEP is California's job readiness and work-experience training program for participants, ages 16 through 24, in the CalWORKs program.

In order to facilitate the provision of CYEP services in the County, on July 1, 2018, TAD entered into a Memorandum of Understanding (MOU) with WDD under which WDD would provide services to no less than 48 youth participants. Pursuant to this MOU, during the 2019-20 CYEP program year, WDD placed 66

participants in subsidized employment. In addition, on July 1, 2020, TAD and WDD amended the MOU to increase the number of CYEP participants to a minimum of 80 youth participants with an average cost of \$9,970 per participant.

On December 15, 2020 (Item No. 72), the Board of Supervisors (Board) approved contracts with First Institute Training and Management, Inc. and Pathways Management Group, Inc. in the aggregate amount of \$628,539 to provide CYEP services for the period of January 4, 2021 through June 30, 2021, with the option to extend these contracts for a maximum of two consecutive one-year periods.

On May 13, 2021, TAD and WDD amended the MOU to extend the contract term for an additional program year, with a new total aggregate amount not to exceed \$797,639, to allow WDD to continue to provide subsidized employment opportunities, including workforce investment activities, job development, work-readiness training, and subsidized employment placement to the CYEP youth participants.

On June 22, 2021 (Item No. 103), the Board approved Amendment No. 1, which increased the total aggregate contract amount with the two contractors by \$169,100, from \$628,539 to \$797,639, to provide CYEP services and extend the term from January 4, 2021 through June 30, 2022.

On April 7, 2022, TAD and WDD amended the existing MOU to exercise their final one-year term extension. As a result, consistent with the amended MOU between TAD and WDD, Amendment No. 2 will increase the total aggregate contract amount with the below contractors by \$1,395,868, from \$797,639 to \$2,193,507, as well as increase the minimum participants served from 80 to 140 and extend the contract term by a year through June 30, 2023.

Each of the contractors provides CYEP participants with work readiness training and placement into subsidized employment for up to 485 hours or six months, whichever comes first. The majority of the funding will be used to pay the salaries of the CYEP participants.

The CYEP contracts serve the following geographical areas.

Contractors	San Bernardino County Geographical Areas
First Institute Training and Management, Inc.	Central Valley, East Valley, High Desert, & Morongo Basin
Pathways Management Group, Inc.	Central Valley, East Valley, & West Valley

The proposed amendments to the CYEP contracts support the County and Chief Executive Officer's goals to create, maintain and grow jobs and economic value in the County by working to strengthen the partnerships between workforce boards, businesses, and education by developing a skilled labor force that fulfills business-staffing needs.

The County may immediately terminate the contracts due to uncured breach or default. Either party may terminate the contract for convenience upon 30 days written notice to the other party.
