BACKGROUND INFORMATION

The Department operates and maintains eight regional parks, including this Park in the City of Chino, and provides for the rental of park property through Board approved fees. The recommended Permit between the Department and Permittee allows for a portion of the Park to host the Permittee's annual five-day Event.

The Event is a five-day, medieval-themed, foam fighting event and festival with multiple tournaments, educational classes such as medieval arts and sciences, games, an auction, and a fashion show for members of the Belegarth Medieval Combat Society. The primary goal of the Event is to provide an intense fighting and social experience to new and returning fighters. The Event will also include games, prizes, and camping. The Event has been held at the Park since 2016, except during 2021 due to the COVID-19 pandemic.

This recommended Permit aligns with the County and Chief Executive Officer's goal and objective to operate in a fiscally-responsible and business-like manner by allowing the Department to leverage its amenities and land to raise revenue to support park maintenance and development.
