COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES

FINANCIAL IMPACT

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost) as the estimated cost of \$2,000 to install the appropriate signs, as well as minor administrative costs to update the Department of Public Works (Department) records, will be financed by Gas Tax revenue. Sufficient appropriation and revenue are included in the Department's 2022-23 Road Operations budget.

BACKGROUND INFORMATION

In response to a request from the public, the Department conducted a traffic engineering investigation regarding the commercial vehicles parking along Grand Avenue in the Chino area. The investigation found that commercial vehicles were stopping and parking on Grand Avenue causing view obstructions for drivers along both sides of the road from East End Avenue to Ramona Avenue. Therefore, due to conditions affecting the safety of the public utilizing this street and pursuant to the findings of a traffic engineering investigation, the Department recommends establishing a prohibition of parking for commercial vehicles exceeding a gross weight of 10,000 pounds on both sides of Grand Avenue from East End Avenue to Ramona Avenue in the Chino area, except for the portion maintained by the City of Chino.

Grand Avenue from East End Avenue to Ramona Avenue is also primarily residential, commercial vehicle parking is not desired, and this restriction on commercial vehicle use is not expected to significantly impact the use by residents.

The Department recommends establishing a “No Parking” zone of commercial vehicles, pursuant to County Code Section 52.0128(a), on these sections of roadway to address safety concerns, such as removing view obstructions for drivers entering onto and exiting from these streets.

This item aligns with the County and the Chief Executive Officer’s goals and objectives to provide for the safety, health, and social service needs of County residents by removing the view obstructions for County residents traveling on these roadways.

The proposed Resolution will also direct the County Road Commissioner to erect and maintain signs indicating such prohibition and to perform such acts as are necessary to implement the terms of the Resolution.

PROCUREMENT
