BACKGROUND INFORMATION

In response to a request from the public, the Department conducted a traffic engineering investigation regarding the vehicles parking along Cajon Boulevard and Devore Road in the San Bernardino area. The investigation found that vehicles stopping and parking on Cajon Boulevard and Devore Road are causing view obstructions and impeding traffic flow. Therefore, due to conditions affecting the safety of the public utilizing this street and pursuant to the findings of the traffic engineering investigation, the Department recommends establishing a prohibition of parking and stopping for any vehicles on the north side of Cajon Boulevard between Devore Road and Cajon Court, on west side of Devore Road from Cajon Boulevard to approximately 400 feet north of Cajon Boulevard, and on west side of Devore Road from 200 feet south of Santa Fe Avenue to approximately 480 feet south of Santa Fe Avenue in the San Bernardino area.

The Department recommends establishing a "No Stopping, Standing, or Parking" zone, pursuant to County Code Section

The proposed Resolution will also direct the County Road Commissioner to perform such acts as are necessary to implement the Resolution, which includes posting the signage per County Code Section 52.0118(a), to assist in improving the safety of the motorists traveling along the roadway.
