FINANCIAL IMPACT

Approval of this item will not require the use of Discretionary General Funding (Net County Cost). There is no financial impact to receive this list of short-term real estate leasing activity at San Bernardino County Airports for the period of March 1, 2023, through March 31, 2023. However, approved short-term leases do result in revenues that are utilized by the Department of Airports (Airports) to help offset the cost of airport operations, and sufficient appropriation and revenue are included in the Airports 2022-23 budget.

The following reflects the Solicitation of Proposal (SOP) and Short-Term Lease (STL) activity for the period of March 1, 2023 through March 31, 2023.

BACKGROUND INFORMATION

On October 30, 2001 (Item No. 55), the Board of Supervisors (Board) adopted County Policy No. 12-04 - Leasing County Airport Real Property. For short-term leases, licenses, permits, and use agreements, the Policy authorizes a SOP or a STL process to lease County Airport property where estimated monthly base rent is equal to or less than \$5,000 and the term (including options) is equal to or less than five years. STLs that are procured pursuant to the Policy are executed by the Director of Airports and the Director of the Real Estate Services Department (RESD) in accordance with the Policy and County Code Section 18.0104. The Policy requires Airports and RESD to prepare a timely, but not less than monthly, agenda item to the Board reporting the SOPs commenced and the STLs executed under the Policy.

PROCUREMENT

The foregoing agreements were procured pursuant to Policy No. 12-04.
