**FINANCIAL IMPACT**

Approval of the item will not result in the use of additional Discretionary General Funding (Net County Cost). This action will provide additional appropriation authority needed by San Bernardino County and Board-governed agencies to continue to operate at normal levels. The additional limits will not increase the 2022-23 budgets for the respective entities.

**BACKGROUND INFORMATION**

Limits on the appropriations of the proceeds of tax revenues are required to be established annually by Article XIII B of the California Constitution for all agencies receiving tax proceeds. Proposition 111, approved by voters on June 5, 1990, allows governmental entities to use an alternative computation to determine the appropriations limits when such calculations are of benefit to the entity. These factors include the percentage change in per-capita personal income and the change in non-residential new construction. Further, with limited exceptions, the State shall provide a subvention of funds to reimburse local governments when the Legislature or any state agency mandates a new program or higher level of service on any local government for the costs of the program or increased level of service. State subventions to local governments that are deemed to have been derived from the proceeds of state taxes are included in the appropriations limit calculation. Government Code section 7903(b) requires specified state subventions to be included in the calculation commencing with the 2021-22 fiscal year and each year thereafter. Such additional state subventions are included in the final appropriations limit for fiscal year 2022-23 for the County General Fund.

On December 22, 2022, the Local Agency Formation Commission (LAFCO) completed a reorganization, approved by the Board of Supervisors on September 27, 2022 (Item No. 28), to include annexations to the City of Rancho Cucamonga, Cucamonga Valley Water District, Rancho Cucamonga Fire Protection District, and West Valley Mosquito and Vector Control District, and detachments from Fontana Fire Protection District and County Service Area 70 (Speedway Commerce Development Project) (LAFCO 3256). The result was a decrease of \$49 in the General Fund and a decrease of \$37 in Free Library in fiscal year 2022-23 that is reflected as an adjustment in fiscal year 2022-23.
